REVIEW

A YEAR BOOK

Published by the

Class of 1947 of the Senior High School

LUDLOW, MASS.

FOREWARD

The vast horizon of a hostile land greeted the Pilgrims at the end of their journey over troubled seas. This did not prevent them from settling and building one of the strongest nations on earth. Just as every Pilgrim had a hand in building our vast government, perhaps we, the Class of 1947, will play a part, no matter how insignificant, in molding the thought of people a hundred years hence.

We too have crossed troubled seas. As timid little first graders we all embarked on the seas of knowledge; now

most of us are ready to set foot on land. To us, the world looks just as hostile as it did to the Pilgrims, but there is no turning back.

In this book, the Class of 1947 considers its world a part of one of the most complicated pieces of governmental machinery in the world.

Therefore, for a glimpse of the group, as seen through our rose-colored glasses, the editors urge the reader to consider this *Review*, the record of our state—the State of '47—the citizens of tomorrow.

For years of loyal service to the youth of Ludlow,
and sincere leadership both as a teacher and a friend,
we, the Class of 1947, gratefully dedicate this Review
to MISS JULIA E. HITCHCOCK

A TRIBUTE

Twenty-three years ago, in September 1924,

MISS JULIA E. HITCHCOCK

began her service in the Ludlow Public Schools. From that time to February 21, 1947 she served continuously as a teacher of mathematics in the Ludlow High School.

Her keen sense of humor, her kindliness and helpfulness, devotion to duty, high professional standards, and the effectiveness and permanence of her teaching over the years have earned for her the affection and esteem of pupils and fellow teachers alike.

The members of the Ludlow School Committee on behalf of the citizens of Ludlow wish to express to Miss Hitchcock their sincere appreciation of her long and conscientious service to the town. They extend every good wish on the occasion of her retirement from active service.

FAREWELL

We bid farewell to Ludlow High,
A sad farewell but not goodbye;
And memories will live forever,
Seal'd by friendship's tie.
O Ludlow High, O Ludlow High,
We'll always sing your praise
In future years when we look back
On many happy years.

In memories of high-school days,
To Ludlow High we shall be true;
As we turn to leave the old,
And to face the new.
O Ludlow High, O Ludlow High,
We'll always sing your praise
In future years when we look back
On many happy years.

Farewell again to friendly halls.
Fond memories of happy years
Now rise to flood and swell our hearts.
And fill our eyes with tears.
O Ludlow High, O Ludlow High,
We'll always sing your praise
In future years when we look back
On many happy years.

OUR CONGRESS

A Congress is a body, composed of many men;
Our Congress is a class, the best that's ever been.
We have our politicians; they talk more than the rest;
We also have our leaders; we know they are the best.

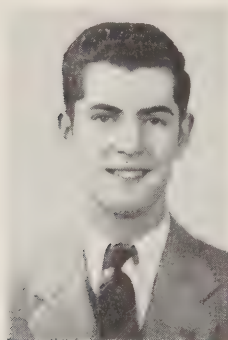

Our Senate has less members, they do the work for all,
But if our House was faithless, we'd be against a wall;
Together they're our Congress, the Class of '47,
And if you were a member, you'd know that it is heaven.

At times the going has been tough, we've all complained a bit,
Yet, now that it is through, we're sorry — we admit.
We've left behind the grandest years, they never will return;
We know that at some later date, for them we all shall yearn.

The future will have much to do with what the past has taught,
For many there'll be fame — their knowledge was not bought,
The joys we'll see, the sorrows too, will be a part of living;
Our Congress will remember that life means so much giving.

The session of our Congress at last has reached its end,
We leave these halls of learning asking only for a friend,
The bills we've passed, the things we've done, are but a mem'ry dear;
Regardless of what path we take, they always shall be near.

born October 16, 1928

died November 5, 1943

A member of the Class of 1947

CLASS AMBASSADORS

ANTHONY JOHN ACKERMAN

U. S. Navy

Tony was born in Cleveland, Ohio, in 1928; however, he has always attended Ludlow schools. Tony went into the service in June 26, 1946, during his Senior year. He went to Bainbridge, Maryland, for basic training and then to Philadelphia to a school for signaling. Tony was assigned to the U. S. S. Toledo, a ship which had for a crew only boys from Ohio. He went to Cuba on a shake-down cruise. At Ludlow High, Tony was quite active in the Glee Club and is an excellent piano player. As we go to press, Tony is now at home and attending the Ludlow Veterans Education Center.

STEPHEN JOE KOCHANЕК

U. S. Navy

Steve attended the local public schools. When he was a Senior, he entered the Navy on March 15, 1946. He went to Norfolk, Virginia, where he received his basic training and his motor machinist's rating. He was stationed on a small craft repairing ships on the Atlantic Coast.

EDWARD JOHN MAGIERA, *Pvt.**U. S. Army*

Edward was born in Ludlow in 1929. He attended East Street School and had finished his Junior year when he entered the Army on July 22, 1946. He was an active member of the High School Band. He received his basic training at Fort Knox, Kentucky, and is now in a Mechanized Cavalry Reconnaissance Group stationed in Korea. He will receive his diploma with the Class of 1947 because he is taking a correspondence course in the required course in English IV.

WALTER ZAJACZKOWSKI, *Pvt.**U. S. Marines*

Walter was born in Ludlow in 1929 and attended the Ludlow schools, where he was an active member of the golf team. He enlisted in the Marines on September 21, 1946, and plans to graduate this June after completing a correspondence course in English IV. He went to Parris Island, South Carolina, for his "boot" training. He received his advanced training at Camp Lejeune, North Carolina. He went later to Camp Shelton, Little Creek, Virginia, and also to Porto Rico on manoeuvres. He is now back in the states.

OUR CONGRESSIONAL RECORD

Several things changed in 1943 for the Class of 1947. With many fears planted in their minds by upper-classmen, they began their journey through high school. Wholly new to them was the election of class officers. In spite of this fact, they carried through successfully and with much enthusiasm. The officers for the Freshman year were: President, Justiniano Silva; Vice-President, Gladys Warren; Secretary, Marjorie Wilson; Treasurer, Phyllis La-Flamme. Next came the excitement of a class party. This, too, was successful, and it is now one of their most memorable experiences.

Sophomore year began in much the same manner. The leaders they elected for that year were: President, Walter Wdowiak; Vice-President, Miquel Pereira; Secretary, Barbara Smart; Treasurer, Edward Magiera. This class took charge of the G. O. Ball and proved their ability to run an evening dance successfully.

By this time, the Class of '47 was well acquainted with the high school. They were now old-timers at the election game. So in their Junior year, they showed their originality by electing a *woman* president — President Irene Swiatlowski! The other officers were Vice-President, Miquel Pereira; Secre-

tary, Marjorie Wilson; Treasurer, Betty Lou Simmons. During this year, the class held its Lollipop Dance. The very original decorations will always be remembered. The highlight of the Junior year was the "Prom", co-chairmen of which were Albert Leite and Ruth Lemos. Decorations for this successful and gala event were a Southern motif.

Now, here they are in their Senior year. They have watched three classes graduate and now their turn has come. There are many events which have occurred and will take place before graduation materializes. They again—and for the last time—elected class officers: President, James Teixeira; Vice-President, Miquel Pereira; Secretary, Marjorie Wilson; Treasurer, Betty Lou Simmons. The class has already held a dance which was attended by not only undergraduates but alumni as well. Everyone is now busily working on the *Review*, the *first* Senior Minstrel Show having been an overwhelming success.

Before the close of the chapter on high school days, the seniors anticipate their class banquet, class night, Ivy Day, the annual Junior Promenade given in honor of the Seniors, and finally—graduation!

CONGRESSIONAL FORECAST

June, 1967

All is hurry-scurry at the *Nuts & Butts* Summer Resort for Feeble-Minded Politicians. This beautiful home is situated on the edge of the fabulous Lake Wood, famous for its bacteriological vegetation. Today's great event is to be the reunion of the 47th Congress of L.H.S.

Buzzing busily in the kitchen we find the world-famous dietician, RUTH LE MOS, whose great experiments in beaver-tail soup and crocodile spaghetti have astonished the stomachs of America. Ruth is ably assisted by fish-washer, IRENE VIVIER, spud peeler, JEAN BANAS, and baker, IDA GARCIA, famous for her pie-all-a-mole with lice-shream.

Inside the monstrous mammoth ballroom there is a great commotion. MILDRED MIK, chief decorator, together with her talented three S's, BARBARA SMART, IRENE SWIATLOWSKI, and LOIS SANTOS, has just decided on chartreuse walls, with delicate pink stripes, splashed with dainty orange flowers.

Hostess LORRAINE THERRIEN ushers in our first guest LEON GALIS, who is famous for his Booms-a-Daisy Rocket. Headwaiter FRED SWIECH is arguing with his assistants, LEO KOGUT, ED-

WARD GATES, and VICTOR SANTOS as to where to place the lice-shream on the pie-all-a-mole.

Co-Managers, ALBERT "NUTS" FRENIER, and ALBERT "BUTTS" LEITE, are being fitted by that fashionable gentlemen's tailor, ANTHONY CABRAL.

A great screech of wheels is heard outside as a few more of our distinguished guests arrive: JOSEPHINE MARINI, Ambassador to Italy, and BETTY SADOWSKI, Ambassador to Poland, are assisted from their glass car, by doorman AVELINO DIAS. The car was designed by that brilliant prodigy, MARTIN CLYNE, owner of the *After-We-Make-Them-You - Can't - Break - Them Company!*

Seen coming through the portals are these great mortals: Chief Justice ALBERT ANDERSON and his nine associate justices: PHYLLIS LAFLAMME, NORMA FALCONER, NELLIE FEDO, GENEVIEVE KULIG, STANLEY MISIASZEK, MARIE MONGEON, NICK SILVA, VIRGINIA SLEPECKI, and RICHARD VALLIERE.

Delegates WALTER KARETA, EVERETT MILLER, THOMAS SILVA, and CORNELIUS THOMPSON are present at this reunion

to initiate JOSEPH ALMEIDA and JENNIE GRABOWSKI into their *Widget-Midget Club*.

A blast of boogie-woogie comes from the "*You Name It and You Can Have It Orchestra*" headed by LEO MARIANI, featuring such noted musicians as trumpetess, MARIE "HOT-LIPS" MANNING, and a pianist, BEATRICE "LITE-FINGERS" HOWES. They mark the entrance of President JAMES TEIXEIRA, Vice-President MIGUEL PEREIRA, Secretary of State MARJORIE WILSON, and Secretary of The Treasury BETTY LOU SIMMONS. They have all arrived in the President's atomic-propelled, wingless, and tailless plane constructed by the *We Make 'Em—If you Fly 'Um Good Company*, headed by FRANK and STANLEY BODUCH.

Suddenly there is a great commotion as MARJORY EASSON, the mad chemist, and her collaborators, EILEEN DUFFANY, LAURA PALHETE, MARY LOU STANHOPE, and GLADYS WARREN, arrive in a cloud of carbon monoxide gas.

Arriving in their specially constructed jeep are EMILY SANTINI, HELEN PODOSEK, and CELIA POLYS, secretaries to the foreign embassies.

Next to arrive are the "*Hubba Hubba*" chorus girls who are entertaining during the evening: GRACE NEDEAU, MILDRED WILLIAMSON, IRENE SANTOS, and MARY COELHO. These girls have currently been featured in that sensational stage production of "*Annie Get Your Man, There's An Awful Shortage*", a show backed by those two multimillionaires, THEODORE SIOK and GEORGE PLANTA. Also featured in the entertainment tonight will be that famous bubble dancer, DOLORES ALEXANDER, and vocalist BETTY ANN HENNESSEY, the fast-falling meteor of *Burr's Opera House*.

Upon entering, Senators LOUIS BURKOT, EARL GREGORY, and AMERICO

GOMES are stopped by lobbyists MARY ADAMCZYK, ALICE DEMETRIUS, HELEN RYCZEK, and LORRAINE WILLARD, who convince them to change the course of the Pacific Ocean.

Next come the mighty Republican representatives PALMIRA DELMASTRO, ALBERT MENDES, and MANUEL NASCIMENTO, followed by the teeny-weeny Democratic representatives DANNY COSTA, LEONETTE SANTOS, and TONY SOUSA.

In the corner we find Congresswomen THERESA CAMPORA, BETTY JANE WARREN, JEAN PELKEY, and JENNY GRYBOSH chatting busily with Statesman MICHAEL LUDKIEWICZ over the vital question of making Ludlow the capitol of the United States.

With the door chimes playing "*Open The Door, Richard*", butler WALTER WDOWIAK rushes to answer the door. Here he finds messenger boy ROLAND PANCOTTI with an important telegram from General FERNANDO MENDES stating that he cannot attend the reunion due to a bitter battle with his wife LENA the HYENA.

Next on the list to arrive are reporters LAURA BERNARDO and JULIA PEREIRA of the "*Eye Strain Gazette*", owned by PORFIRIO PEREIRA. These same people have recently opened a new optician's shop. Believe us, they certainly rake in the hay!

Last to arrive are the famous Washington socialites AMELIA CASAGRANDE, CLAIRE TURCOTTE, DORIS COACHE, and BEVERLY CHASE, who have recently had their coming-out party at *Teen Town*, where thousands gathered to witness the social event of the season.

Everyone has arrived and everything is in readiness for the great feast. So, begins the happy reunion of the 47th Congress of Ludlow High School!

HISTORY OF THE CLASS OF 1948

The Class of '48 as Freshmen chose the following officers: President, John Soares; Vice-President, Mitchel Duda; Secretary, Ruth McLean; Treasurer, Irene Fioravanti. Their first social event was a Valentine Party held on the afternoon of February 13, 1945. Several other gay and successful events followed.

In their Sophomore year these officers were chosen: President, John Soares; Vice-President, Joan Cormack; Secretary, Ruth McLean; Treasurer, Clarice Surprenant. Another Valentine Party was held, but the main event of the year was their first evening dance. This dance was a huge success with

the music furnished by Ellison's Orchestra.

As Juniors, the election of officers was an important step to help make this year a successful one. Ruth McLean was elected for the third time to the office of Secretary. The other officers are: President, Joseph Lisak; Vice-President, Juliette Palhete; Treasurer, Lorraine Magiera. The big event of this year was the Pumpkin Whirl Dance held on October 25 with Burt Mason's Orchestra furnishing the music. It was a success both financially and socially. Plans for the annual Promenade are now being formulated for June 6, 1947.

HISTORY OF THE CLASS OF 1949

The Class of '49 in their Freshman year chose the following officers: President, Charles Saloio; Vice-President, Richard Gauthier; Secretary, Irene Kochanek; Treasurer, Cynthia Easson. Two most successful parties were held that year.

As Sophomores this year the class elected: President, Manuel Moutinho;

Vice-President, Walter Gajewski; Secretary, Edith Ellison. Cynthia Easson was re-elected Treasurer. The class held two parties this year—the first in October and the second in December. Both parties were gay and entertaining. The Sophomores are now anticipating their Junior year and its great activity—the Prom!

HISTORY OF THE CLASS OF 1950

In eighth grade the officers elected were: President, Mary Garcia; Vice-President, Walter Simao; Secretary, Mary Judith Baird; Treasurer, Joan Bennett.

The leaders chosen for their Fresh-

man year are: President, Joseph Teixeira; Vice-President, Charles Patullo; Secretary, Joan Bennett; Treasurer, William Nicoll. Their afternoon dance to which the Sophomores were also invited, was held and proved to be a success.

Pro Merito is a national honor society which was founded in 1917. In Ludlow, thirty-six honor points are necessary in order to be elected to Pro Merito temporarily at the end of the junior year. For permanent membership in the Ludlow chapter of Pro Merito, forty-eight honor points are required at the end of the senior year.

The activities of the Pro Merito

Society this year were to introduce General Organization Speakers and keep the library clean and orderly. They have also helped Mrs. Cushing with the record library.

The Student Council is made up of one representative from each home room in grades 9 through 12 and of the presidents and secretaries of each of the four high school classes.

This year, the Student Council supervised the annual class elections, which are conducted exactly like town elections. At Christmas the Council decorated the doors of the various rooms with appropriate greens and festive ribbons. Then, two highly successful drives were

conducted — the annual March of Dimes Campaign and the first Cancer Drive, which was held in March. Social'y, the Student Council with its fall *Sports Frolic* sponsored the first Saturday night dance ever to be held in the school, and preceded this dance by an intensive sale of maroon Ludlow High feathers celebrating our new football team. At this writing, members are deep in plans for the G. O. Ball, which is also one of the Council's annual ventures.

FOOTBALL FOR 1946

After twenty years of peace on the gridiron stage, Ludlow High came forth with a football team. This team was to be the proving ground for future teams; moreover, their record is an example for future teams. Next year Ludlow will enter the Pioneer Valley League which

consists of six teams: Ware, Palmer, Amherst, Orange, and one other team yet unknown. To the winner of this league will be awarded a football trophy. Our team's schedule will also pit them against Rosary, Trade, West Springfield, and a few others.

SOCCER

The Ludlow High School Soccer Team enjoyed another successful season, by tying Easthampton for the Western Massachusetts Championship. This team went undefeated, but was tied by both Suffield Academy and Easthampton High. These two games proved to be the most

thrilling, with tie scores being just rewards for hard-fought games. Probably the outstanding players on the team were Danny Costa and Albert Pereira, whose speed and skill made them shining lights throughout the season.

BOYS' BASKETBALL

After a long, continuous struggle Ludlow finally emerged with a championship. We had to share co-championship honors with Easthampton, however. Easthampton lost only one game during the year and won the Small School Tournament. The Lions won 17 games and lost only 2 during the regular school schedule; one of these was a three point defeat at the hands of Technical High (the opening game of the season) and the other at Easthampton.

In a return bout with Easthampton, Ludlow won the victory in "the game of the year." Because of their fine record, the Lions went to the Western Massachusetts Tournament and fell before Worcester South in a game that once again demonstrated Ludlow courage. This South High team is the same team that went to the semi-finals of the New England Tournament. While we are disappointed at Ludlow's defeat, we admire greatly Ludlow's courage.

GOLF

Manager STANLEY MISIASZEK, '47
Coach MR. JAMES BLACKBURN

At the time of this writing, these "cane swingers" had not yet commenced on an active schedule. Not only do these lads play the various teams in Western Massachusetts, but this year they have made attempts to revive the Western Massachusetts Interscholastic Golf Tournament. Prior to the war, Ludlow held the

Tournament trophy for a year.

Much credit for these present and past successful golfers of Ludlow is due not only to the school administration but also to the cooperation of the Ludlow Country Club, which gives these boys an opportunity to practise and book matches at no charge to them or to the school.
